

SITUO 5 IO Titane 5L

Ref: 1811298

Description

The new collection of Situo IO remote controls will delight everyone who cares as much for décor as for comfort.

The collection offers all the functions needed to suit everyone: individual or grouped control, adjustable slats or light levels and favorite position.

The low battery indicator shows when batteries need replacing.

The Situo IO collection has been designed in accordance with the ACT for Green criteria to reduce its environmental impact.
