

# NATURE'S CHOICE SUNLUX<sup>®</sup>

## Commercial Aluminium Venetian Blind Collection

### Sunlux<sup>®</sup> IR Painted Slat<sup>™</sup>

- Available in 9 various colours
- Available in 16mm, 25mm, 35mm, 50mm & 70mm slats
- The high IR reflection of IR paint allows using a darker colour with an acceptable solar heat reflection
- This reduces glare and expands the freedom for design choices
- G-value can be reduced by up to 20%
- Slat thickness / strength = 0.24mm
- Suitable for internal use
